

THE UKULELE KIDS CLUB PRESENTS:

UKC Academy

This month:
Ukulele 2.0

with Chris Millett

Join board-certified music therapist and podcaster, Chris Millett, for Ukulele 2.0 at the UKC Academy! This class will focus on moving past beginner strumming styles to incorporate some of the basics of finger-picking and riffs from popular songs!

About The Teacher

Chris Millett, MM, MT-BC has been practicing as a board-certified music therapist since January 2014. Chris serves a variety of populations and trains budding music therapists as the Music Therapy Clinic Coordinator at the University of Louisville. He holds advanced trainings, has a wide variety of clinical experience, has presented at national conferences on various music therapy topics, and is published in the Journal of Music Therapy and other music therapy publications including his self-published Little Kahuna's Ukulele Guide. He is also the founder of Make More Music, LLC and the Make More Music podcast with the mission of connecting people to music and one another.
