

THE UKULELE KIDS CLUB PRESENTS:

# UKC Academy

This month:  
"Immigrants and  
Origins: The  
Secret Life of the  
Ukulele"

with Stuart Yoshida

Come on a journey of discovery to learn about the secret life of the ukulele, an immigrant who has traveled the world bringing joy and smiles to millions of people. This class will be a mixture of history, story-telling, and sing-alongs where you'll find out how this quintessentially Hawaiian instrument landed on the shores of a remote island, captured the hearts of the native people, and soon went on to conquer the world.

All you need to bring is an ukulele, a tuner, and a curiosity to find out why the ukulele is such a wonderful musical companion for kids, adults, and everyone in between
