

Brave – Sara Bareilles

C

You can be amazing

You can turn a phrase into a weapon or a drug

Am

You can be the outcast

Or be the backlash of somebody's lack of love

F

Or you can start speaking up

C

Nothing's gonna hurt you the way that words do

When they settle 'neath you skin

Am

Kept on the inside and no sunlight

Sometimes a shadow wins

F

But I wonder what would happen if you

Chorus

C

Say what you wanna say

Am

And let the words fall out

F

G

Honestly I wanna see you be brave

C

With what you want to say

Am

F

And let the words fall out

G

Honestly I wanna see you brave

C

I just wanna see you

Am

I just wanna see you

F

I just wanna see you

G

I wanna see you be brave

C

I just wanna see you

Am

I just wanna see you

F

I just wanna see you

G

I just wanna see you be brave

C

Everybody's been there,

Everybody's been stared down by the enemy

Am

Fallen for the fear

And done some disappearing

Bow down to the mighty

F

Don't run, just stop holding your tongue

C

Maybe there's a way out of the cage where you live

Am

F

Maybe one of these days you can let the light in

Dm

G

Show me how big your brave is

C

Say what you wanna say

Am

F

And let the words fall out

G

Honestly I wanna see you be brave

C

With what you want to say

Am

F

And let the words fall out

G

Honestly I wanna see you be brave

Dm

F

And since your history of silence

Am

Won't do you any good

Am

Did you think it would?

Dm

F

Let your words be anything but empty

Am

G

Why don't you tell them the truth?

C

Say what you wanna say

Am

F

And let the words fall out

G

Honestly I wanna see you be brave

C

With what you want to say

Am

F

And let the words fall out
