

Demons
(Imagine Dragons)

C G
 When the days are cold and the cards all fold
Am F
 And the saints we see are all made of gold
C G
 When your dreams all fail and the ones we hail
Am F
 Are the worst of all and the blood's run stale

C G
 I want to hide the truth, I want to shelter you
Am F
 But with the beast inside there's nowhere we can hide
C G
 No matter what we breed we still are made of greed
Am F
 This is my kingdom come, This is my kingdom come

C G
 When you feel my heat, Look into my eyes
Am F
 It's where my demons hide, It's where my demons hide
C G
 Don't get too close it's dark inside
Am F
 It's where my demons hide, It's where my demons hide

C G
 When the curtain's call is the last of all
Am F
 When the lights fade out all the sinners crawl
C G
 So they dug your grave and the masquerade
Am F
 Will come calling out at the mess you made

C Don't want to let you down but I am hell bound
Am **F**
Though this is all for you, don't want to hide the truth
C **G**
No matter what we breed we still are made of greed
Am **F**
This is my kingdom come, This is my kingdom come

C **G**
When you feel my heat, Look into my eyes
Am **F**
It's where my demons hide, It's where my demons hide
C **G**
Don't get too close it's dark inside
Am **F**
It's where my demons hide, It's where my demons hide

C **G**
They say it's what you make, I say it's up to fate
Am **F**
It's woven in my soul I need to let you go
C **G**
Your eyes they shine so bright I want to save that light
Am **F**
I can't escape this now unless you show me how

C **G**
When you feel my heat, Look into my eyes
Am **F**
It's where my demons hide, It's where my demons hide
C **G**
Don't get too close it's dark inside
Am **F**
It's where my demons hide, It's where my demons hide
