Do It For Her
(Steven Universe)

You'd do it for him
And you would do it again
You'd do it for her, that is to say
You'll do it for him

Keep your- stance wide
Keep your body lowered
As you're moving forward
Balance is the key
Right foot - left foot
Now go even faster
And as you're moving backwards
Keep your eyes on me

Keep my - stance wide (Good.)
Keep my body lowered (Right.)
As I'm moving forward (Concentrate!)
(Don't you want him to live!?)
Em       B7
    Right foot - left foot
Em       B7
(Yes, but put your whole body into it!)
Em       Dm       C
Everything you have, everything you are
B7
You've got to give

E7
On the battlefield,
Am
when everything is chaos
E7       Am
And you have nothing but the way you feel, your strategy and a sword
G7       C       A
You just think about the life you'll have, together after the war
Dm
And you would do it for her
G7       Em
    That's how you know you can win
A       Dm
    You'd do it for her
G7
That is to say,
C
You'll do it for him.

Dm       Am
    Deep down - you know
Dm       Am
    You weren't built for fighting
Dm       G7
    But that doesn't mean
C       B7
You're not prepared to try
Em       B7
    What they - don't know
Em       B7
    Is your real advantage
Em       Dm
    When you live for someone
C       Em
You're prepared to die
Dm  Am
Deep down - I know
Dm  Am
That I'm just a human (True.)
Dm  G7          C          B7
But I know that I can draw my sword and fight

Em  B7
With my short existence (Good.)
Em  B7
I can make a difference (Yes, excellent!)
Em  Dm
I can be there for him
C   Em
I can be his knight
Dm  G7          C
I can do it for him
Cmaj7   Dm
You'd do it for her
G7          C
Okay, now do that again (Yes, ma'am.)
Cmaj7   Dm   G7
You'd do it for her, and now you say:
     Cmaj7
I'll do it for him
