

# Drivers License - Olivia Rodrigo

or

**C**

I got my driver's license last week

**Am**

Just like we always talked about  
'Cause you were so excited for me

**F**

To finally drive up to your house  
But today I drove through the suburbs

**C**

Crying 'cause you weren't around

**C**

And you're probably with that blonde girl  
Who always made me doubt

**Am**

She's so much older than me  
She's everything I'm insecure about

**F**

Yeah, today I drove through the suburbs

**C**

'Cause how could I ever love someone else?

**F**

And I know we weren't perfect

**C**

but I've never felt this way for no one

**F**

And I just can't imagine how you could be so okay

**C**

now that I'm gone

**Am**

**C**

**F**

Guess you didn't mean what you wrote in that song about me

**Am**

**F**

**C**

'Cause you said forever, now I drive alone past your street

C

And all my friends are tired  
of hearing how much I miss you, but

Am

I kinda feel sorry for them  
'Cause they'll never know you the way that I do

F

Yeah, today I drove through the suburbs

C

and pictured I was driving home to you

F

And I know we weren't perfect

C

but I've never felt this way for no one, ooh

F

And I just can't imagine how you could be so okay

C

now that I'm gone

Am

C

F

Guess you didn't mean what you wrote in that song about me

Am

F

C

'Cause you said forever, now I drive alone past your street

Am

Red lights, stop signs

F

C

I still see your face in the white cars, front yards

F

Am

Can't drive past the places we used to go to

F

C

'Cause I still love you, babe

Am

Ooooooooooh

Am

Sidewalks we crossed

F

C

I still hear your voice in the traffic, we're laughing

**F**  
over all the noise  
    **Am**  
God I'm so blue, know we're through  
    **F**                    **C**  
But I still love you, babe  
    **Am**  
Ooooooooooh

**F**  
I know we weren't perfect  
  **C**  
but I've never felt this way for no one  
    **F**  
And I just can't imagine how you could be so okay  
    **C**  
now that I'm gone  
    **Am**  
Guess you didn't mean  
    **C**                                    **F**  
what you wrote in that song about me  
    **Am**                                    **C**                                    **F**  
Guess you didn't mean what you wrote in that song about me  
    **Am**                                    **F**                                    **C**  
'Cause you said forever, now I drive alone past your street  
    **Am**                                    **F**                                    **C**  
Yeah you said forever, now I drive alone past your street
