

Driver's License (Olivia Rodrigo)

C

I got my driver's license last week

Am

Just like we always talked about
'Cause you were so excited for me

F

To finally drive up to your house
But today I drove through the suburbs

C

Crying 'cause you weren't around

C

And you're probably with that blonde girl

Am

Who always made me doubt
She's so much older than me
She's everything I'm insecure about

F

Yeah, today I drove through the suburbs

C

'Cause how could I ever love someone else?

F

And I know we weren't perfect

C

but I've never felt this way for no one

F

And I just can't imagine how you could be so okay

C

now that I'm gone

F

Guess you didn't mean what you wrote in that song about me

Dm

C

'Cause you said forever, now I drive alone past your street

C

And all my friends are tired
of hearing how much I miss you, but

Am

I kinda feel sorry for them
'Cause they'll never know you the way that I do, yeah

F

Today I drove through the suburbs
and pictured I was driving home to you

F

And I know we weren't perfect
but I've never felt this way for no one

F

And I just can't imagine how you could be so okay
now that I'm gone

Red lights, stop signs

F

I still see your face in the white cars, front yards

G

Am

Can't drive past the places we used to go to

F

'Cause you know I still love you, babe

G

Ooooooooooh

Am

Sidewalks we crossed

F

I still hear your voice in the traffic, we're laughing

G
over all the noise
Am
God I'm so blue, know we're through

But you know I still love you, babe
