

## Easy on Me – Adele

[verse 1]

F Dm  
There ain't no gold in this river  
Am Bb  
That I've been washing my hands in forever  
F Dm  
I know there is hope in these waters  
Am  
But I can't bring myself to swim  
Bb  
When I am drowning in this silence  
Bb  
Baby, let me in

[chorus]

F C  
Go easy on me, baby  
Dm  
I was still a child  
Bb  
Didn't get the chance to  
F C  
Feel the world around me  
Dm  
I had no time to choose  
Bb  
What I chose to do

F Dm Am Bb  
So go easy on me

[verse 2]

C F  
There ain't no room  
Dm  
For things to change  
Am  
When we are both so deeply  
Bb  
Stuck in our ways  
C F  
You can't deny  
Dm  
How hard I have tried  
Am  
I changed who I was  
Bb  
To put you both first  
Bb  
But now I give up

[Chorus]

F C  
Go easy on me, baby  
Dm  
I was still a child  
Bb  
Didn't get the chance to  
F C  
Feel the world around me  
Dm  
I had no time to choose

Bb  
What I chose to do

F Dm Am Bb  
So go easy on me

[Bridge]

F Dm  
I had good intentions  
Am  
And the highest hopes  
Bb  
But I know right now  
Bb  
It probably doesn't even show

[outro]

F C  
Go easy on me, baby  
Dm  
I was still a child  
Bb  
Didn't get the chance to  
F C  
Feel the world around me  
Dm  
I had no time to choose  
Bb  
What I chose to do

F Dm Am Bb  
So go easy on me
