C

You know I'm back like I never left

Dm

F

Another sprint, another step

Am

C

Another day, another breath

Dm

F

Been chasing dreams, but I never slept

Am

C

I got a new attitude and a lease on life, and some peace of mind

Dm

F

Seek and I find I can sleep when I die, wanna piece of the pie, grab the keys to the ride

Am

C

And man I'm straight, I'm on my wave, I'm on my wave

Dm

F

Get out my wake, I'm running late, what can I say?

Am

C

I heard you die twice, once when they bury you in the grave

Dm

F

And the second time is the last time that somebody mentions your name

Am

C

So when I leave here on this earth, did I take more than I gave?

Dm

F

Did I look out for the people or did I do it all for fame?

Am

C

Legend it's exodus searching for euphoria

Dm

F

Trudging through the mud to find the present, no ignoring us

Am C
Got 20,000 deep off in the street like we some warriors
Dm F
My mama told me never bow your head, woo

C Dm
I feel glorious, glorious
Am F
Got a chance to start again
C Dm
I was born for this, born for this
Am F
It's who I am, how could I forget?
C Dm
I made it through the darkest part of the night
Am F
And now I see the sunrise
C Dm
Now I feel glorious, glorious
Am F
I feel glorious, glorious

Am C
I'm feeling glorious
Dm F
The crib looking Victorian (oh yes it is)
Am C
You know that we been going in (been going in)
Dm F
Since we hopped out that Delorean (Delorean, yeah we win)

Am C
En garde, things are just things
Dm
They don't make you who you are
F Am
Can't pack up a U-Haul and take it with you when you're gone
C Dm
We posted on the porch, my family's glasses to the stars

My grandma smiling down on me like woo, that boy got bars
Okay, okay, yes I do, I said amen and hallelujah, let me testify too
Another morning, a morning, don't let self get in my way
I got my breath, I got my faith and I remember why I came

I feel glorious, glorious
Got a chance to start again
I was born for this, born for this
It's who I am, how could I forget?
I made it through the darkest part of the night
And now I see the sunrise
Now I feel glorious, glorious
I feel glorious, glorious

We gon' be alright, put that on my life
When I open my eyes, hope I see you shine
We're planting a flag, they don't understand
The world is up for grabs
We gon' be alright, put that on my life
When I open my eyes, hope I see you shine
We're planting a flag, they don't understand
