

# Halo (Beyonce)

**C** **Dm**  
Remember those walls I built  
Well baby they're tumbling down **Am**  
And they didn't even put up a fight **F**  
They didn't even make a sound **C**  
I found a way to let you in **Dm**  
But I never really had a doubt **Am**  
Standing in the light of your halo **F**  
I got my angel now **C**

**Dm**  
It's like I've been awakened  
Every rule I had you breakin' **Am**  
It's the risk that I'm takin' **F**  
I ain't never gonna shut you out **C**

**Dm** **Am**  
Everywhere I'm looking now, I'm surrounded by your embrace  
Baby I can see your halo, You know you're my saving grace **F** **C**  
You're everything I need and more, It's written all over your face **Dm** **Am**  
Baby I can feel your halo, Pray it won't fade away **F** **C**

I can feel your halo (halo) halo, I can see your halo (halo) halo  
I can feel your halo (halo) halo, I can see your halo (halo) halo

Hit me like a ray of sun  
Burning through my darkest night  
You're the only one that I want  
Think I'm addicted to your light  
I swore I'd never fall again  
But this don't even feel like falling  
Gravity can't forget  
To pull me to the ground again  
Feels like I've been awakened  
Every rule I had you breakin'  
The risk that I'm takin'  
I'm never gonna shut you out

Everywhere I'm looking now, I'm surrounded by your embrace  
Baby I can see your halo, You know you're my saving grace  
You're everything I need and more, It's written all over your face  
Baby I can feel your halo, Pray it won't fade away

I can feel your halo (halo) halo, I can see your halo (halo) halo  
I can feel your halo (halo) halo, I can see your halo (halo) halo
