

Halo (Beyonce)

C Remember those walls I built **F**
 Well baby they're tumbling down **Am**
 And they didn't even put up a fight **F**
 They didn't even make a sound **C**
 I found a way to let you in **F**
 But I never really had a doubt **Am**
 Standing in the light of your halo **F**
C I got my angel now

F It's like I've been awakened
 Every rule I had you breakin' **Am**
 It's the risk that I'm takin' **F**
C I ain't never gonna shut you out

F Everywhere I'm looking now, I'm surrounded by your embrace **Am**
F Baby I can see your halo, You know you're my saving grace **C**
F You're everything I need and more, It's written all over your face **Am**
F Baby I can feel your halo, Pray it won't fade away **C**
F I can feel your halo (halo) halo, I can see your halo (halo) halo **Am**

I can feel your **F** halo (halo) halo, I can see your **C** halo (halo) halo

Hit me like a ray of sun **F**

Burning through my darkest night **Am**

You're the only one that I want **F**

Think I'm addicted to your light **C**

I swore I'd never fall again **F**

But this don't even feel like falling **Am**

Gravity can't forget **F**

To pull me to the ground again **C**

Feels like I've been awakened **F**

Every rule I had you breakin' **Am**

The risk that I'm takin' **F**

I'm never gonna shut you out **C**

Everywhere I'm looking now, I'm surrounded by your embrace **F** **Am**

Baby I can see your halo, You know you're my saving grace **F** **C**

You're everything I need and more, It's written all over your face **F** **Am**

Baby I can feel your halo, Pray it won't fade away **F** **C**

I can feel your **F** halo (halo) halo, I can see your **Am** halo (halo) halo

I can feel your **F** halo (halo) halo, I can see your **C** halo (halo) halo

I can feel your **F** halo (halo) halo, I can see your **Am** halo (halo) halo

I can feel your **F** halo (halo) halo, I can see your **C** halo (halo) halo
