

# Happier by Ed Sheeran

Am F C (x2)

Am F C  
Walking down 29th and Park

Am F C  
I saw you in another's arms

Am F C  
Only a month we've been apart

Am F C  
You look happier

Am F C  
Saw you walk inside a bar

Am F C  
He said something to make you laugh

Am F C  
I saw that both your smiles were twice as wide as ours

Am F C  
Yeah, you look happier, you do

Am F C  
Ain't nobody hurt you like I hurt you

Am F C  
But ain't nobody love you like I do

Am F C  
Promise that I will not take it personal, baby

Am F C  
If you're moving on with someone new

Am F C  
Cause baby you look happier, you do

Am F C  
My friends told me one day I'd feel it too

Am F C  
And until then I'll smile to hide the truth

Am F C  
But I know I was happier with you

Am F C  
Sat in the corner of the room

Am F C  
Everything's reminding me of you

Am F C Am  
Nursing an empty bottle and telling myself you're happier

F C  
Aren't you?

Am F C  
Ain't nobody hurt you like I hurt you

Am F C  
But ain't nobody need you like I do

Am F C  
I know that there's others that deserve you

Am F C  
But my darling, I am still in love with you

Am F C  
But I guess you look happier, you do

Am F C  
My friends told me one day I'll feel it too

Am F C  
I could try to smile to hide the truth

Am F C  
But I know I was happier with you

[Heya heya heya]

Am F C (x4)

Am F C  
Baby, you look happier, you do

Am F C  
I knew one day you'd fall for someone new

Am F C  
But if he breaks your heart like lovers do

Am F C  
Just know that I'll be waiting here for you
