

How Far I'll Go

C

I've been staring at the edge of the water

G

Am

F

'Long as I can remember, never really knowing why

C

G

I wish I could be the perfect daughter

Am

F

But I come back to the water, no matter how hard I try

Am

Every turn I take, every trail I track

G

Every path I make, every road leads back

C

To the place I know, where I cannot go

Fm

Where I long to be

C

G

See the line where the sky meets the sea? It calls me

Am

F

And no one knows, how far it goes

C

G

If the wind in my sail on the sea stays behind me

Am Fm

One day I'll know, if I go there's just no telling how far I'll go

C

G

Am

I know, everybody on this island seems so happy on this island

F

Everything is by design

C

G

Am

I know, everybody on this island has a role on this island

F

So maybe I can roll with mine

Am

I can lead with pride, I can make us strong

G

I'll be satisfied if I play along

C

But the voice inside sings a different song

Fm

What is wrong with me?

C

G

See the light as it shines on the sea? It's blinding

Am

F

But no one knows, how deep it goes

C

G

And it seems like it's calling out to me, so come find me

Am

F

And let me know, what's beyond that line, will I cross that line?

C

G

See the line where the sky meets the sea? It calls me

Am

F

And no one knows, how far it goes

C

G

If the wind in my sail on the sea stays behind me

Am

F

C

One day I'll know, how far I'll go
