

I Lived

One Republic

C **F** **C**
Hope when you take that jump you don't fear the fall

C **F** **C**
Hope when the water rises, You build a wall

Am **F**
Hope when the crowd screams out, They're screaming your name

Am **F** **C**
Hope if everybody runs, You choose to stay

C **F** **C**
Hope that you fall in love and it hurts so bad

C **F** **C**
The only way you can know is give it all you have

Am **F**
And I hope that you don't suffer, but take the pain

Am **F**
Hope when the moment comes you'll say

C **F** **C**
I, I, I, I did it all,

C **F** **C**
I, I, I, I did it all,

Am
I owned every second that this world could give

F
I saw so many places, the things that I did

Am **F** **C**
Yeah, with every broken bone, I swear I lived

C **F** **C**
Hope that you spend your days, But they all add up

C **F** **C**
And when that sun goes down, hope you raise your cup

Am **F**
I wish that I could witness all your joy and all your pain

Am **F**
But until my moment comes, I'll say...
