F+9 C

When I look into your eyes it's like watching the night sky

F+9 C

G

Or a beautiful sunrise, well there's so much they hold

F+9 C

F+9 C

And just like them old stars I see that you've come so far

F+9 C

G

To be right where you are, how old is your soul?

F+9 F C

Am G

Well, I won't give up on us, Even if the skies get rough

F+9 F C

G

I'm giving you all my love, I'm still looking up

F+9 C

F+9 C

And when you're needing your space to do some navigating

F+9 C

G

I'll be here patiently waiting to see what you find

F+9 F C

Am G

'Cause even the stars they burn, some even fall to the earth

F+9 F C

G

We've got a lot to learn, God knows we're worth it

F

No, I won't give up

F+9

I don't wanna be someone who walks away so easily

G

I'm here to stay and make the difference that I can make

F+9

Our differences they do a lot to teach us how to use

G

The tools and gifts we got, yeah, we got a lot at stake

B^bmaj7

And in the end, you're still my friend at least we did intend

For us to work we didn't break, we didn't burn

G

We had to learn how to bend without the world caving in

B^bmaj7

G

C

I had to learn what I've got, and what I'm not, and who I am

F+9 F C Am G

Well, I won't give up on us, Even if the skies get rough

F+9 F C G

I'm giving you all my love, I'm still looking up, I'm still looking up

F+9 F C Am G

Well, I won't give up on us, Even if the skies get rough

F+9 F C G

I'm giving you all my love, I'm still looking up
