

Island Song (from *Adventure Time*)

C F Am
Come along with me

C G F
To a town beside the sea

Am F
We can wander through the forest

C G
And do so as we please

C F Am
Come along with me

C G F
To a cliff under a tree

Am F
Where we can gaze upon the water

G C
As an everlasting dream

E7 F
All of my affections

G C
I'll give them all with you

E7 F
Maybe by next summer

C G
We won't have changed our tune

C F Am
We'll still want to be

C G F
In this town beside the sea

Am F
Making up new numbers

G C
And living so merrily

E7 **F**
All of my affections
 G **C**
I give them all to you
E7 **F**
I'll be here for you always
 C **G**
And always be for you

C **F** **Am**
Come along with me
 C **G** **F**
And the butterflies and bees
 Am **F**
We can wander through the forest
 C **G** **Am**
And do so as we please
F **G** **C**
Living so merrily
