

Levitating

Am

If you wanna run away with me, I know a galaxy

Am

And I can take you for a ride

I had a premonition that we fell into a rhythm

F

Where the music don't stop for life

Am

Glitter in the sky, glitter in my eyes

F

Shining just the way I like

Am

If you're feeling like you need a little bit of company

You met me at the perfect time

Am

You want me, I want you, baby

F

My sugarboo, I'm levitating

Am

The Milky Way, we're renegading

F

Yeah-yeah-yeah-yeah-yeah

Am

F

I got you, moonlight, you're my starlight

Am

F

I need you all night, come on, dance with me

F

I'm levitating

Am

F

I got you, moonlight, you're my starlight

Am **F**
I need you all night, come on, dance with me
F
I'm levitating

Am
I believe that you're for me, I feel it in our energy

F
I see us written in the stars

Am
We can go wherever, so let's do it now or never

F
Baby, nothing's ever, ever too far

Am
Glitter in the sky, glitter in our eyes

F
Shining just the way we are

Am
I feel like we're forever every time we get together

F
But whatever, let's get lost on Mars

Am
You want me, I want you, baby

F
My sugarboo, I'm levitating

Am
The Milky Way, we're renegading

F
Yeah-yeah-yeah-yeah-yeah

Am **F**
I got you, moonlight, you're my starlight

Am **F**
I need you all night, come on, dance with me

F
I'm levitating

Am **F**

I got you, moonlight, you're my starlight
Am **F**
I need you all night, come on, dance with me
F
I'm levitating

Am **F**
You can fly away with me tonight
Am **F**
You can fly away with me tonight
Am **F**
Baby, let me take you for a ride
F **Am**
Yeah-yeah-of yeah-yeah-yeah
I'm levitating (woo)

Am **F**
My love is like a rocket, watch it blast off
Am **F**
And I'm feeling so electric, dance my past off
Am
And even if I wanted to, I can't stop
F **Am**
Yeah, yeah, yeah, yeah, yeah

Am
You want me, I want you, baby
F
My sugarboo, I'm levitating
Am
The Milky Way, we're renegading
F
Yeah-yeah-yeah-yeah-yeah

Am **F**
I got you, moonlight, you're my starlight
Am **F**
I need you all night, come on, dance with me

F

I'm levitating

Am

I got you, moonlight, you're my starlight

Am

I need you all night, come on, dance with me

F

I'm levitating
