Lose Yourself
Eminem

Am  F  Am  F
His palms are sweaty, knees weak, arms are heavy
Am
There's vomit on his sweater already, mom's spaghetti
Am
He's nervous, but on the surface he looks calm and ready
F
To drop bombs, but he keeps on forgetting
Am
What he wrote down, the whole crowd goes so loud
F
He opens his mouth, but the words won't come out
Am
He's choking, how? Everybody's joking now
F
The clock's run out, times up, over, blah!
Am
Snap back to reality, oh, there goes gravity
F
Oh, there goes Rabbit. He choked, he's so mad but he won't
Am
Give up that easy, no, he won't have it he knows
F
His whole back's to these ropes, it don't matter he's dope
Am
He knows that but he's broke, he's so stagnant he knows
F
When he goes back to his mobile home, that's when it's
Am
Back to the lab again, yo
F
This whole rhapsody better go capture this moment
G
And hope it don't pass him
Am
You better lose yourself in the music
The moment, you own it, you better never let it go
Am
You only get one shot, do not miss your chance to blow
F  G
This opportunity comes once in a lifetime, yo
Am
You better lose yourself in the music
F  G
The moment, you own it, you better never let it go
Am
You only get one shot, do not miss your chance to blow
F  G
This opportunity comes once in a lifetime
Am
His soul's escaping, through this hole that is gaping
F
This world is mine for the taking, make me king
Am  F
As we move toward a new world order, a normal life is boring
Am
But superstardom's close to post mortem
F
It only grows harder, homie grows hotter
Am
He blows. It's all over, this road is all on him
Am
Coast to coast shows, he's known as the Globetrotter lonely roads
F
God only knows he's grown farther from home, he's no father
Am
He goes home and barely knows his own daughter
Am
But hold your nose cuz here goes the cold water
F
These bros don't want him no more, he's cold product
Am
They moved on to the next schmoe who flows
F
He nose dove and sold nada, so the soap opera is told it unfolds
Am  F
I suppose it's old partner, but the beat goes on
G
Da da dum, da dum da da da
Am
You better lose yourself in the music
The moment, you own it, you better never let it go
Am
You only get one shot, do not miss your chance to blow
F G
This opportunity comes once in a lifetime, yo

Am
No more games, I'ma change what you call rage
F
Tear this roof off like two dogs in a cage
Am
I was playing in the beginning, the mood all changed
F
I've been chewed up and spit out and booed off stage
Am
But I kept rhyming and stepped, writing the next cypher
F
Best believe somebody's paying the pied piper
Am F
All the pain inside amplified by the fact
Am
That I can't get by with my 9 to 5
Am
And I can't provide the right type of life for my family
Am
Cause man, these old food stamps don't buy diapers
F
And it's no movie, there's no Mekhi Phifer, this is my life
Am
And these times are so hard and it's getting even harder
F
Trying to feed and water my seed, plus teeter-totter
Am
Caught up between being a father and a prima donna
Baby mama drama's screaming on and too much for me to wanna
Am
Stay in one spot, another day of monotony's
F
Gotten me to the point I'm like a snail
Am
I've got to formulate a plot or end up in jail or shot
F
Success is my only other option, failure's not
Am
Mom, I love you, but this trailer's got to go
F
I cannot grow old in 'Salem's lot, so here I go it's my shot
G
Feet fail me not, this may be the only opportunity that I got
Am
You better lose yourself in the music
