

Lovely (Billie Eilish)

F

Thought I found a way

Am **Em**

Thought I found a way, yeah (found)

F

But you never go away (never go away)

Am **Em**

So I guess I gotta stay now

F

Am **Em**

Oh, I hope someday I'll make it out of here

F

Am **Em**

Even if it takes all night or a hundred years

F

Am **Em**

Need a place to hide, but I can't find one near

F

Am **Em**

Wanna feel alive, outside I can fight my fear

F

Isn't it lovely, all alone

Am **Em**

Heart made of glass, my mind of stone

F

Tear me to pieces, skin and bone

Am **Em** **F**

Hello, welcome home

F
Walkin' out of time
Am **Em**
Lookin' for a better place
F
Something's on my mind
Am **Em**
Always in my headspace

F **Am** **Em**
But I know someday I'll make it out of here
F **Am** **Em**
Even if it takes all night or a hundred years
F **Am** **Em**
Need a place to hide, but I can't find one near
F **Am** **Em**
Wanna feel alive, outside I can fight my fear

F
Isn't it lovely, all alone
Am **Em**
Heart made of glass, my mind of stone
F
Tear me to pieces, skin and bone
Am **Em** **F**
Hello, welcome home

F **Am** **Em**
Whoa, yeah-yeah
F **Am** **Em**
Yeah, Oh-oh-oh-oh, whoa whoa
F **Am** **Em** **Am**
Hello, welcome home
