

Moment 4 Life

Nicki Minaj feat. Drake

I fly with the stars in the skies,

I am no longer trying to survive,

Em

I believe that life is a prize,

C

D

But to live doesn't mean you're alive,

Em

Don't worry bout me and who I fire

C

D

I get what I desire it's my empire

C

And yes I call the shots I am the umpire

C

D

I sprinkle holy water upon the vampire

In this very moment I'm king

This very moment I slay Goliath with a sling,

This very moment I bring

Put it on everything that I will retire with the ring,

And I will retire with the crown, yes!

No I'm not lucky I'm blessed, yes!

Clap for the heavyweight champ, me!

But I couldn't do it all alone, we!

Young Money raised me, grew up out in Baisley

Southside Jamaica, Queens and it's crazy

'Cause I'm still hood, Hollywood couldn't change me

Shout out to my haters, sorry that you couldn't phase me

Ain't being cocky we just vindicated, best believe that when were done

This moment will be syndicated, I don't know, this night just remind me of

Everything that they deprived me of

Put ya drinks up,

It's a celebration every time we link up
We done did everything they can think of
Greatness is what we on the brink of

Em D C C
I wish that I could have this moment for life, for life, for life

Em D C C
'Cause in this moment I just feel so alive, alive, alive

Em D C C
I wish that I could have this moment for life, for life, for life

Em D C C
This is my moment I just feel so alive, alive, alive (yeah, yeah, yeah uh)

(Drake)

What I tell 'em hoes bow bow bow to me, drop down to ya knees
Young Money the Mafia that's word to Lil' Cease

Shout out to the C.E.O. five hundred degrees
Shout out to the O.V.O wear rings and fatigues, ow!
Niggas wanna be friends how coincidental
This supposed to be ya'll year we ain't get the memo
A young King, pay me in gold
Forty got a bunch of money he ain't even rolled
These fellas be droppin' songs they ain't even cold
Weezy on top and that man ain't even home, yet!
Yeah, be very afraid
These other rappers getting bodied and carried away
Freak it me and Nicki Nick gettin' married today
And now you people that be hatin' can catch a bouquet, ooh
Yeah, you a star in my eyes, you and all them white girls party of five
Are we drinking a lil' more I can hardly decide
I can't believe we really made it I'm partly surprised, I swear
Dang, this one for the books, man!
I swear this is as fun as it looks, man!
I'm really tryna make it more than what it is,
'Cause everybody dies but not everybody lives, ah!
