

Photograph (Ed Sheeran)

C **Am**
Loving can hurt, Loving can hurt sometimes

G **F**
But it's the only thing that I know

C **Am**
When it gets hard, You know it can get hard sometimes

G **F**
It is the only thing that makes us feel alive

Am **F**
We keep this love in a photograph

C **G**
We make these memories for ourselves

Am **F**
Where our eyes are never closing, Our hearts were never broken

C **G**
And times forever frozen still

C
So you can keep me inside the pocket of your

G
Ripped jeans holding me closer till our

Am **F**
Eyes meet, you won't ever be alone

C
Wait for me to come home

C **Am**
Loving can heal, loving can mend your soul

G **F**
And it's the only thing that I know

I swear it will get easier, remember that with every piece of ya
It is the only thing we take with us when we die

We keep this love in a photograph
We make these memories for ourselves
Where our eyes are never closing, Our hearts were never broken
And times forever frozen still

So you can keep me inside the pocket of your
Ripped jeans holding me closer till our
Eyes meet, you won't ever be alone
And if you hurt me that's ok baby, only
Words bleed inside these pages you just
Hold me and I won't ever let you go

Wait for me to come home
Wait for me to come home
Wait for me to come home
Wait for me to come home

C

Oh you can fit me inside the necklace you got when you were

Hold me and I won't ever let you go

C

When I'm away I will remember how you

Kissed me under the lamp post back on sixth street

Hearing you whisper through the phone

Wait for me to come home
