

## Riptide (Vance Joy)

Am C

Am C  
I was scared of dentists and the dark

Am C  
I was scared of pretty girls and starting conversations

Am C  
Oh, all my friends are turning green

Am C  
You're the magician's assistant in their dreams

Am C  
Ooh, ooh, ooh

Am C  
Ooh, ooh, and they come unstuck

Am C  
Lady, running down to the riptide, taken away

Am C  
To the dark side, I wanna be your left hand man

Am C  
I love you when you're singing that song, and I got a lump

Am C  
In my throat, 'cause you're gonna sing the words wrong

Am C  
There's this movie that I think you'll like

Am C  
This guy decides to quit his job and heads to New York City

Am C  
This cowboy's running from himself

Am C  
And she's been living on the highest shelf

Am C  
Ooh, ooh, ooh

Am C  
Ooh, ooh, and they come unstuck

Am C

Lady, running down to the riptide, taken away

Am C

To the dark side, I wanna be your left hand man

Am C

I love you when you're singing that song, and I got a lump

Am C

In my throat, 'cause you're gonna sing the words wrong

Am C

I just wanna, I just wanna know

Am C

If you're gonna, if you're gonna stay

Am C

I just gotta, I just gotta know

Am C

I can't have it, I can't have it any other way

Am C

I swear she's destined for the screen

Am C

Closest thing to Michelle Pfeiffer that you've ever seen, oh

Am C

Lady, running down to the riptide, taken away

Am C

To the dark side, I wanna be your left hand man

Am C

I love you when you're singing that song, and I got a lump

Am C

In my throat, 'cause you're gonna sing the words wrong

Am C

Lady, running down to the riptide, taken away

Am C

To the dark side, I wanna be your left hand man

Am C

I love you when you're singing that song, and I got a lump

Am C

In my throat, 'cause you're gonna sing the words wrong, I got a lump

Am C

In my throat, 'cause you're gonna sing the words wrong
