Riptide (Vance Joy)

Am   G   C (2x)
Am                    G                          C
I was scared of dentists and the dark
Am                     G                          C
I was scared of pretty girls and starting conversations
Am               G                          C
Oh, all my friends are turning green
Am                        G                          C
You're the magician's assistant in their dreams

Am   G   C
Ooh, ooh, ooh
Am       G     C
Ooh, ooh, and they come unstuck

Am             G                          C
Lady, running down to the riptide, taken away
Am                     G                          C
To the dark side, I wanna be your left hand man
Am                     G                          C
I love you when you're singing that song, and I got a lump
Am                         G                          C
In my throat, 'cause you're gonna sing the words wrong

Am             G                          C
There's this movie that I think you'll like
Am                     G                          C
This guy decides to quit his job and heads to New York City
Am                     G                          C
This cowboy's running from himself
Am                         G                          C
And she's been living on the highest shelf

Am   G   C
Ooh, ooh, ooh
Am       G     C
Ooh, ooh, and they come unstuck
Lady, running down to the riptide, taken away

To the dark side, I wanna be your left hand man

I love you when you're singing that song, and I got a lump

In my throat, 'cause you're gonna sing the words wrong

I just wanna, I just wanna know

If you're gonna, if you're gonna stay

I just gotta, I just gotta know

I can't have it, I can't have it any other way

I swear she's destined for the screen

Closest thing to Michelle Pfeiffer that you've ever seen, oh

Lady, running down to the riptide, taken away

To the dark side, I wanna be your left hand man

I love you when you're singing that song, and I got a lump

In my throat, 'cause you're gonna sing the words wrong

Lady, running down to the riptide, taken away

To the dark side, I wanna be your left hand man

I love you when you're singing that song, and I got a lump

In my throat, 'cause you're gonna sing the words wrong, I got a lump

In my throat, 'cause you're gonna sing the words wrong
