

She Will Be Loved

Maroon 5

Am **G**
Beauty queen of only eighteen
Am **G**
She had some trouble with herself
Am **G**
He was always there to help her
Am **G**
She always belonged to someone else

Am **G**
I drove for miles and miles
Am **G**
And wound up at your door
Am **G**
I've had you so many times
Am **G**
But somehow I want more

C **G**
I don't mind spending everyday
Am **G**
Out on your corner in the pouring rain
C **G**
Look for the girl with the broken smile
Am **F**
Ask her if she wants to stay awhile
C **G**
And she will be loved
Am **F**
And she will be loved

Am **G**
Tap on my window knock on my door
Am **G**
I want to make you feel beautiful

Am **G**
I know I tend to get so insecure

Am **G**
It doesn't matter anymore

Am **G**
It's not always rainbows and butterflies

Am **G**
It's compromise that moves us along, yeah

Am **G**
My heart is full and my door's always open

Am **G**
You can come anytime you want

C **G**
I don't mind spending everyday

Am **G**
Out on your corner in the pouring rain

C **G**
Look for the girl with the broken smile

Am **F**
Ask her if she wants to stay awhile

C **G**
And she will be loved

Am **F**
And she will be loved

C **G**
And she will be loved

Am **F**
And she will be loved

Am **G**
I know where you hide

Am
Alone in your car

G **Am**
Know all of the things that make you who you are

G **Am**
I know that goodbye means nothing at all

G **F**
Comes back and begs me catch her every time she falls... yeah

Am **G**
Tap on my window knock on my door
Am **G**
I want to make you feel beautiful

C **G**
I don't mind spending everyday
Am **G**
Out on your corner in the pouring rain
C **G**
Look for the girl with the broken smile
