

She Will Be Loved

Maroon 5

Dm **C**
Beauty queen of only eighteen

Dm **C**
She had some trouble with herself

Dm **C**
He was always there to help her

Dm **C**
She always belonged to someone else

Dm **C** **Dm** **C**
I drove for miles and miles and wound up at your door

Dm **C** **Dm** **C**
I've had you so many times but somehow I want more

F **C**
I don't mind spending everyday

Dm **C**
Out on your corner in the pouring rain

F **C**
Look for the girl with the broken smile

Dm **C**
Ask her if she wants to stay awhile

F **C** **Dm** **C**
And she will be loved, And she will be loved

Dm **C**
Tap on my window knock on my door

Dm **C**
I want to make you feel beautiful

Dm **C**
I know I tend to get so insecure

Dm **C**
It doesn't matter anymore

Dm **C**
It's not always rainbows and butterflies

Dm **C**
It's compromise that moves us along, yeah

Dm **C**
My heart is full and my door's always open

Dm **C**
You can come anytime you want

F **C**
I don't mind spending everyday

Dm **C**
Out on your corner in the pouring rain

F **C**
Look for the girl with the broken smile

Dm **C**
Ask her if she wants to stay awhile

F **C** **Dm** **C**
And she will be loved, And she will be loved

Dm **C** **Dm**
I know where you hide alone in your car

C **Dm**
Know all of the things that make you who you are

C **Dm**
I know that goodbye means nothing at all

C **Dm**
Comes back and begs me catch her every time she falls... yeah
