

Someone Like You (Adele)

C **Em**
 I heard that you're settled down
Am **F**
 That you found a girl and you're married now
C **Em**
 I heard that your dreams came true
Am **F**
 Guess she gave you things I didn't give to you
C **Em**
 Old friend, why are you so shy?
Am **F**
 Ain't like you to hold back or hide from the light

G **Am**
 I hate to turn up out of the blue uninvited
F
 But I couldn't stay away, I couldn't fight it
G **Am**
 I'd hoped you'd see my face and that you'd be reminded
F
 That for me it isn't over

C **G** **Am** **F**
 Never mind, I'll find someone like you
C **G** **Am** **F**
 I wish nothing but the best for you two
C **G** **Am** **F**
 Don't forget me, I beg, I remember you said
C **G** **Am** **F**
 Sometimes it lasts in love but sometimes it hurts instead

C **G** **Am F**
Sometimes it lasts in love but sometimes it hurts instead

C **Em**
You know how the time flies
Am **F**
Only yesterday was the time of our lives

C **Em**
We were born and raised in a summer haze
Am **F**
Bound by the surprise of our glory days

G **Am**
I hate to turn up out of the blue uninvited
F
But I couldn't stay away, I couldn't fight it
G **Am**
I'd hoped you'd see my face and that you'd be reminded
F
That for me it isn't over

C **G** **Am F**
Never mind, I'll find someone like you
C **G** **Am F**
I wish nothing but the best for you two
C **G** **Am** **F**
Don't forget me, I beg, I remember you said
C **G** **Am F**
Sometimes it lasts in love but sometimes it hurts instead

G
Nothing compares, no worries or cares
Am
Regrets and mistakes, they are memories made
F
Who would have known how bittersweet this would taste?

C **G** **Am F**
Never mind, I'll find someone like you
 C **G** **Am F**
I wish nothing but the best for you
 C **G** **Am** **F**
Don't forget me, I beg, I remember you said
 C **G** **Am F**
Sometimes it lasts in love but sometimes it hurts instead

C **G** **Am F**
Never mind, I'll find someone like you
 C **G** **Am F**
I wish nothing but the best for you two
 C **G** **Am** **F**
Don't forget me, I beg, I remember you said
 C **G** **Am F**
Sometimes it lasts in love but sometimes it hurts instead
 C **G** **Am F**
Sometimes it lasts in love but sometimes it hurts instead
