

Someone You Loved (Lewis Capaldi)

C G Am F
I'm going under and this time I fear there's no one to save me

C G Am F
This all or nothing really got a way of driving me crazy

C G
I need somebody to heal, somebody to know,

Am F
Somebody to have, somebody to hold

C G
It's easy to say, but it's never the same

Am F
I guess I kinda liked the way you numbed all the pain

C G
Now the day bleeds into nightfall

Am F
And you're not here to get me through it all

C G
I let my guard down, and then you pulled the rug

Am F
I was getting kinda used to being someone you loved

C G Am F
I'm going under and this time I fear there's no one to turn to

C G Am F
This all or nothing way of lovin' got me sleepin' without you

C G
Now, I need somebody to know, somebody to heal,

Am F
Somebody to have, just to know how it feels

C G
It's easy to say, but it's never the same

I guess I kinda liked the way you helped me escape

Now the day bleeds into nightfall

And you're not here to get me through it all

I let my guard down, and then you pulled the rug

I was getting kinda used to being someone you loved

And I tend to close my eyes but it hurts sometimes

I fall into your arms

I'll be safe in your sound 'til I come back around

For now the day bleeds into nightfall

And you're not here to get me through it all

I let my guard down, and then you pulled the rug

I was getting kinda used to being someone you loved

But now the day bleeds into nightfall

And you're not here to get me through it all

I let my guard down, and then you pulled the rug

I was getting kinda used to being someone you loved

I let my guard down, and then you pulled the rug

I was getting kinda used to being someone you loved
