

Surface Pressure (key of Dm)
(from Encanto)

Dm

I'm the strong one, I'm not nervous

C **Bb**

I'm as tough as the crust of the earth is

Dm

I move mountains, I move churches

C **Bb** **A**

And I glow 'cause I know what my worth is

Dm

I don't ask how hard the work is

C **Bb**

Got a rough, indestructible surface

A

Diamonds and platinum, I find 'em, I flatten 'em

I take what I'm handed, I break what's demanded, but

Dm

Under the surface

C **Bb**

I feel berserk as a tightrope walker in a three-ring circus

Dm

Under the surface

C **Bb**

Was Hercules ever like "Yo, I don't wanna fight Cerberus?"

Dm

Under the surface

C **Bb**

I'm pretty sure I'm worthless if I can't be of service

A

A flaw or a crack, the straw in the stack

That breaks the camel's back, what breaks the camel's back?

Dm

B^b C

It's pressure like a drip, drip, drip, that'll never stop, whoa

Dm

F

C

Pressure that'll tip, tip, tip till you just go pop, whoa-uh-uh

Dm

Give it to your sister, your sister's older

B^b

Give her all the heavy things we can't shoulder

F

A

Who am I if I can't run with the ball?

If I fall to

C

B^b

C

Pressure like a grip, grip, grip, and it won't let go, whoa

Dm

F

C

Pressure like a tick, tick, tick till it's ready to blow, whoa-uh-uh

Dm

Give it to your sister, your sister's stronger

B^b

See if she can hang on a little longer

F

A

Who am I if I can't carry it all?

If I falter

Dm

Under the surface

C

B^b

I hide my nerves and it worsens, I worry somethin' is gonna hurt us

Dm

Under the surface

C

B^b

The ship doesn't swerve as it heard how big the iceberg is

Dm

Under the surface

C

I think about my purpose

B^b

Can I somehow preserve this?

A

Line up the dominoes, a light wind blows

You try to stop it tumbling but on and on it goes, but

F **Fmaj7** **F7**
Wait, if I could shake the crushing weight
B^b **B^bm6** **F**
Of expectations would that free some room up for joy?
Fmaj7 **F7**
Or relaxation? Or simple pleasure?
B^b **B^bm6** **Dm**
Instead we measure this growing pressure
Am **Gm**
Keeps growing, keep going
A7
'Cause all we know is

Dm **B^b** **C**
Pressure like a drip, drip, drip that'll never stop, whoa
Dm **F** **C**
Pressure that'll tip, tip, tip till you just go pop, whoa-uh-uh
Dm
Give it to your sister, it doesn't hurt and
B^b
See if she can handle every family burden
F **A**
Watch as she buckles and bends but never breaks
No mistakes, just
Dm **B^b** **C**
Pressure like a grip, grip, grip, and it won't let go, whoa
Dm **F** **C**
Pressure like a tick, tick, tick till it's ready to blow, whoa-uh-uh
Dm
Give it to your sister and never wonder
B^b
If the same pressure would've pulled you under
F **A**
Who am I, if I don't have what it takes
Dm
No cracks, no breaks, no mistakes, no pressure
