

Surface Pressure (key of Em)  
(from Encanto)

**Em**

I'm the strong one, I'm not nervous

**D** **C**

I'm as tough as the crust of the earth is

**Em**

I move mountains, I move churches

**D** **C** **B**

And I glow 'cause I know what my worth is

**Em**

I don't ask how hard the work is

**D** **C**

Got a rough, indestructible surface

**B**

Diamonds and platinum, I find 'em, I flatten 'em

I take what I'm handed, I break what's demanded, but

**Em**

Under the surface

**D** **C**

I feel berserk as a tightrope walker in a three-ring circus

**Em**

Under the surface

**D** **C**

Was Hercules ever like "Yo, I don't wanna fight Cerberus?"

**Em**

Under the surface

**D** **C**

I'm pretty sure I'm worthless if I can't be of service

**B**

A flaw or a crack, the straw in the stack

That breaks the camel's back, what breaks the camel's back?

**Em** **C** **D**  
It's pressure like a drip, drip, drip, that'll never stop, whoa

**Em** **G** **D**  
Pressure that'll tip, tip, tip till you just go pop, whoa-uh-uh

**Em**  
Give it to your sister, your sister's older

**C**  
Give her all the heavy things we can't shoulder

**G** **B**  
Who am I if I can't run with the ball?

If I fall to  
**Em** **C** **D**  
Pressure like a grip, grip, grip, and it won't let go, whoa

**Em** **G** **D**  
Pressure like a tick, tick, tick till it's ready to blow, whoa-uh-uh

**Em**  
Give it to your sister, your sister's stronger

**C**  
See if she can hang on a little longer

**G** **B**  
Who am I if I can't carry it all?

If I falter

**Em**  
Under the surface

**D** **C**  
I hide my nerves and it worsens, I worry somethin' is gonna hurt us

**Em**  
Under the surface

**D** **C**  
The ship doesn't swerve as it heard how big the iceberg is

**Em**  
Under the surface

**D** **C**  
I think about my purpose, can I somehow preserve this?

**B**  
Line up the dominoes, a light wind blows

You try to stop it tumbling but on and on it goes, but
