

Verse:

I can almost see it that dream I'm dreaming

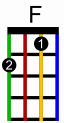

but There's a voice inside my head saying

You'll never reach it,

Every step I'm taking, every move I make feels

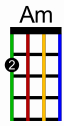

Lost with no direction

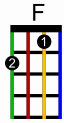

My faith is shaking but

Pre-Chorus:

But I Got to keep trying

Got to keep my

head held high

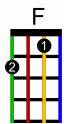

Chorus:

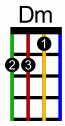

There's always going to be another mountain

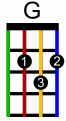

I'm always going to want to make it move

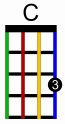

Always going to be an uphill battle

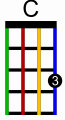

Sometimes you

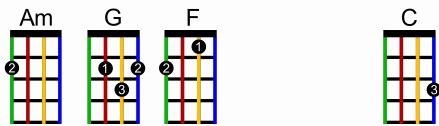

going to have to lose

Ain't about how fast I get there

Ain't about what's waiting on the other

side It's the climb

Verse:

The struggles I'm facing. The chances I'm taking

Sometimes they knock me down but

No I'm not breaking

The pain I'm knowing. But these are the moments that

I'm going to remember most yeah

Just got to keep going

Pre-Chorus:

And I, I got to be strong

Just keep pushing on

Chorus:

There's always going to be another mountain. I'm always going to want to make it move

Always going to be an uphill battle

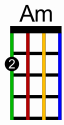

Sometimes you

going to have to lose

Ain't about how fast I get there. Ain't about what's waiting on the other

side

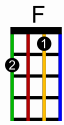

It's

the climb

Chorus:

There's always going to be another mountain. I'm always going to want to make it move

Always going to be an uphill battle

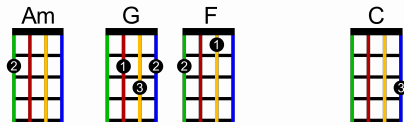

Sometimes you

going to have to lose

Ain't about how fast I get there. Ain't about what's waiting on the other

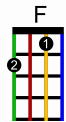

side It's the climb

Outro:

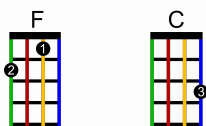

Keep on moving. Keep climbing. Keep the faith baby

It's all about. It's all about

The climb. Keep the faith

Keep your faith
