

## Too Little Too Late – Jojo

Intro

**C Em D**

Verse

**C Em**

Come with me

**D**

Stay the night

You say the words but boy it didn't feel right

**C Em D**

What do ya expect me to say (you know it's just a little too late)

**C**

You take my hand

**Em**

And you say you've changed

**D**

But boy you know your begging don't fool me

**C Em D**

Because to you it's just a game (You know it's just a little too late)

(pre-chorus)

**C Em**

So let me on down

**G**

Cause time has made me strong

**D**

I'm starting to move on

**C**            **Em**  
I'm gonna say this now

**G**            **D**  
Your chance has come and gone

And you know...

(chorus)

**Am**            **G**  
It's just too little too late

**Em**  
A little too wrong  
**D**  
And I can't wait

**Am**            **G**            **Em**            **D**  
But you know all the right things to say (you know it's just a little too late )

**Am**            **G**  
You say you dream of my face  
**Em**  
But you don't like me

**D**  
You like the chase

**Am**  
To be real  
**G**            **Em**            **D**  
It doesn't matter anyway ( you know it's just too little too late)

(verse)

**C**  
I was young  
**Em**  
And in love  
**D**  
I gave you everything, but it wasn't enough  
**C**            **Em**            **D**  
And now you wanna communicate (you know it's just too little too late)

(pre-chorus)

**C**                   **Em**

Go find someone else

**G**

In letting you go

**D**

I'm loving myself

**C**                   **Em**

You got a problem

**G**                   **D**

But don't come asking me for help

'cause you know...

(chorus)

**Am**                   **G**

It's just too little too late

**Em**

A little too wrong

**D**

And I can't wait

**Am**                   **G**                           **Em**                   **D**

But you know all the right things to say (you know it's just too little too late)

**Am**                   **G**

You say you dream of my face

**Em**

But you don't like me

**D**

You just like the chase

**Am**

To be real

**G**                   **Em**                           **D**

It doesn't matter anyway (you know it's just too little too late)

(Bridge)

**C**              **D**

I can love with all of my heart, baby

**C**

I know I have so much to give

With a player like you I don't have a prayer

**C**              **D**

That's no way to live

(chorus) x2

It's just too little too late

**Em**

A little too wrong

**D**

And I can't wait

But you know all the right things to say (you know it just too little too late)

**Am**              **G**

You say you dream of my face

**Em**

But you don't like me

**D**

You just like the chase

**Am**

To be real

It doesn't matter anyway (you know it's just too little too late)
