

# Wake me up when September ends

*(Intro play 4 times)*

*(Verse 1)*

**G**                      **D**                      **Em**                      **D**  
*Summer has come and passed, the innocent can never last*

**C**                      **Cm**                      **G**  
*Wake me up when September ends*

**G**                      **D**                      **Em**                      **D**  
*Like my fathers' come to pass, Seven years has gone so fast*

**C**                      **Cm**                      **G**    **D**  
*Wake me up when September ends*

*(Chorus)*

**Em**                    **Bm**                    **C**                                    **G**    **D**

*Here comes the rain again, Falling from the stars*

**Em**                    **Bm**                    **C**                                    **D**

*Drenched in my pain again, Becoming who we are*

**G**                    **D**                    **Em**                    **D**

*As my memory rests, But never forgets what I lost*

**C**                    **Cm**                    **G**

*Wake me up when September ends*

*(Verse 2)*

**G**                    **D**                                    **Em**                    **D**

*Summer has come and passed, the innocent can never last*
