

## What About Us? (Am)

Pink

Am F C  
 We are searchlights, we can see in the dark  
 Am F C  
 We are rockets, pointing up at the stars  
 Am F C  
 We are billions of beautiful hearts  
 Am F C  
 And you sold us down the river too far  
  
 Am F C  
 What about us? What about all the times you said you had the answers?  
 Am F C  
 What about us? What about all the broken happy ever afters?  
 Am F C  
 What about us? What about all the plans that ended in disaster?  
 Am F C  
 What about love? What about trust? What about us?  
  
 Am F C  
 We are problems that want to be solved  
 Am F C  
 We are children that need to be loved  
 Am F C  
 We were willing, we came when you called  
 Am F C  
 But man, you fooled us, enough is enough, oh  
  
 Am F C  
 What about us? What about all the times you said you had the answers?  
 Am F C  
 What about us? What about all the broken happy ever afters?  
 Am F C  
 What about us? What about all the plans that ended in disaster?  
 Am F C  
 What about love? What about trust? What about us?

Am F C  
Sticks and stones they may break these bones But then I'll be ready, are you ready?

Am F C  
It's the start of us, waking up come on; Are you ready? I'll be ready

Am F C  
I don't want control, I want to let go; Are you ready? I'll be ready

Am F C  
'Cause now it's time to let them know; We are ready, what about us?

Am F C  
What about us? What about all the times you said you had the answers?

Am F C  
What about us? What about all the broken happy ever afters?

Am F C  
What about us? What about all the plans that ended in disaster?

Am F C  
What about love? What about trust? What about us?

Am F C  
What about us? What about us? What about us?

Am F C  
What about us? What about us? What about us?
