

## What About Us? (Em)

**Em C G**  
We are searchlights, we can see in the dark

**Em C G**  
We are rockets, pointing up at the stars

**Em C G**  
We are billions of beautiful hearts

**Em C G**  
And you sold us down the river too far

**Em C G**  
What about us? What about all the times you said you had the answers?

**Em C G**  
What about us? What about all the broken happy ever afters?

**Em C G**  
What about us? What about all the plans that ended in disaster?

**Em C G**  
What about love? What about trust? What about us?

**Em C G**  
We are problems that want to be solved

**Em C G**  
We are children that need to be loved

**Em C G**  
We were willing, we came when you called

**Em C G**  
But man, you fooled us, enough is enough, oh

**Em C G**  
What about us? What about all the times you said you had the answers?

**Em C G**  
What about us? What about all the broken happy ever afters?

**Em C G**  
What about us? What about all the plans that ended in disaster?

Em C G  
What about love? What about trust? What about us?

Em C G  
Sticks and stones they may break these bones But then I'll be ready, are you ready?

Em C G  
It's the start of us, waking up come on; Are you ready? I'll be ready

Em C G  
I don't want control, I want to let go; Are you ready? I'll be ready

Em C G  
'Cause now it's time to let them know; We are ready, what about us?

Em C G  
What about us? What about all the times you said you had the answers?

Em C G  
What about us? What about all the broken happy ever afters?

Em C G  
What about us? What about all the plans that ended in disaster?

Em C G  
What about love? What about trust? What about us?

Em C G  
What about us? What about us? What about us?

Em C G  
What about us? What about us? What about us?
