What Else Can I Do?
(from Encanto)

G   D   Bm   A   B♭   C   F#m

G   **D**
I just made something unexpected
Bm   **D**
Something sharp, something new
G   **D**
It's not symmetrical or perfect, but it's beautiful
Bm
   And it's mine
G   **A**   **D**
   What else can I do?

                      A
(Bring it in, bring it in! Good talk! Bring it in, bring it in)
             Bm
What else can I do?
                          A
(Let's walk! Bring it in, bring it in, Free hugs! Bring it in, bring it in)

D   **A**
I grow rows and rows of roses
Bm   **A**
Flor de mayo by the mile
D   **A**
I make perfect, practiced poses
Bm   **A**
So much hides behind my smile

 Bb   **C**   **D**
What could I do if I just grew what I was feeling in the moment?
          A
(Do you know where you're going?)
Bb   **C**   **A**
What could I do if I just knew it didn't need to be perfect?
             D
It just needed to be? And they let me be?

```
G               D
A hurricane of jacarandas
Bm            D
Strangling figs, Hanging vines
G                 D
Palma de cera fills the air as I climb
 Bm           Bb
And I push through
       A        C
What else can I do?

                     D
Can I deliver us a river of sundew?
                  A                  C
Careful, it's carnivorous, a little just won't do
                           A
I wanna feel the shiver of something new
                                   Bm
I'm so sick of pretty, I want something true, don't you?

              F#m
You just seem like your life's been a dream
         G                  D
Since the moment you opened your eyes (How far do these roots go down?)
Bm              F#m
All I know are the blossoms you grow
         G                  A
But it's awesome to see how you rise (How far can I rise?)
Through the roof, to the skies, Let's go!

 G               D
A hurricane of jacarandas
Bm            D
Strangling figs, Hanging vines
G                 D
Palma de cera fills the air as I climb
 Bm           Bb
And I push through
        A
What else, what else?
```

Bb   **C**   **D**
What can you do when you are deeply, madly, truly in the moment?
    A
(Seize the moment, keep goin')
Bb   **C**   **A**
What can you do when you know who you wanna be isn't perfect?
     D
But I'll still be okay, Hey, everybody clear the way

G   **D**
I'm coming through with tabebuia
Bm   **D**
Making waves, changing minds
G   **D**
The way is clearer 'cause you're here, and well
 Bm   **Bb**
I owe this all to you
   A **Bm**
What else can I do? *(Show 'em what you can do)*
G   **D**
 What else can I do? *(There's nothing you can't do)*
G **A**   **G** **D**
 What else can I do?
