

You Belong With Me (Taylor Swift)

C You're on the phone with your girlfriend, she's upset **G**
 She's going off about something that you said **Dm**
 'Cause she doesn't get your humor like I do **F**
C I'm in the room it's a typical Tuesday night **G**
 I'm listening to the kind of music she doesn't like **Dm**
 And she'll never know your story like I do **F**
Dm But she wears short skirts, I wear T-shirts **F**
C She's cheer captain and I'm on the bleachers **G**
Dm Dreaming about the day when you wake up and find **F**
 That what you're looking for has been here the whole time **G**
C If you could see that I'm the one who understands you
G Been here all along, so why can't you see? **Dm**
F You belong with me, you belong with me **C**

C Walkin' the streets with you and your worn out jeans **G**

Dm
I can't help thinking this is how it ought to be

F
Laughing on a park bench, thinking to myself, "Hey isn't this easy?"

C And you've got a smile that could light up this whole town **G**

Dm
I haven't seen it in a while since she brought you down
You say you're fine, I know you better than that

F
Hey whatcha doing with a girl like that

Dm **F**
She wears high heels, I wear sneakers

C **G**
She's cheer captain and I'm on the bleachers

Dm **F**
Dreaming about the day when you wake up and find

G
That what you're looking for has been here the whole time

C
If you could see that I'm the one who understands you

G **Dm**
Been here all along, so why can't you see?

F
You belong with me

C
Standing by and waiting at your back door

G **Dm**
All this time how could you not know, baby

F **C**
You belong with me, you belong with me

Dm
Oh I remember you drivin' to my house

F
In the middle of the night

C
I'm the one who makes you laugh

G
When you know you're about to cry

Dm
And I know your favorite songs

F
And you tell me about your dreams

C
Think I know where you belong

G
Think I know it's with me

C
If you could see that I'm the one who understands you

G **Dm**
Been here all along, so why can't you see?

F
You belong with me

C
Standing by and waiting at your back door

G **Dm**
All this time how could you not know, baby

F **C**
You belong with me, you belong with me

G
You belong with me

Dm
Have you ever thought just maybe

F **C**
You belong with me, you belong with me
