(Gayle)

**G** **B7**  
Forget you and your mom and your sister and your job  
**Em** **C**  
And your broke-down car and that thing you call art  
**G** **B7**  
Forget you and your friends that I'll never see again  
**Em** **C**  
Everybody but your dog, you can all get lost

**G** **B7**  
I swear I meant to mean the best when it ended  
**Em** **C**  
Even tried to bite my tongue when you start hmmm  
**G** **B7**  
Now you're textin' all my friends asking questions  
**Em** **C**  
They never even liked you in the first place  
**G** **B7**  
Dated a girl that I hate for the attention  
**Em** **C**  
She only made it two days, what a connection  
**G** **B7**  
It's like you'd do anythin' for my affection  
**Em** **C**  
You're goin' all about it in the worst ways

**G** **B7** **Em**  
I was into you, but I'm over it now  
**C**  
And I was tryna be nice  
**G** **B7** **Em**  
But nothing's getting through, so let me spell it out

**G**  
A-B-C-D-E, Forget you  
**B7**  
And your mom and your sister and your job  
**Em** **C**  
And your broke-down car and that thing you call art  
**G** **B7**  
Forget you and your friends that I'll never see again  
**Em** **C**  
Everybody but your dog, you can all get lost

**G** **B7** **Em**  
Nah-nah-nah, nah-nah, nah, nah-nah  
**C** **G**  
A-B-C-D-E, Forget you

**B7**  
You said you just needed space and so I gave it  
**Em** **C**  
When I had nothin' to say you couldn't take it  
**G** **B7**  
Told everyone I'm a, so I became it  
**Em** **C**  
Always had to put yourself above me

**G** **B7** **Em**  
I was into you, but I'm over it now  
**C**  
And I was tryna be nice  
**G** **B7** **Em**  
But nothing's getting through, so let me spell it out

**G**  
A-B-C-D-E, Forget you  
**B7**  
And your mom and your sister and your job  
**Em** **C**  
And your Craigslist couch and the way your voice sounds  
**G** **B7**  
Forget you and your friends that I'll never see again  
**Em** **C**  
Everybody but your dog, you can all get lost
